Dear Rebecca Kleefisch:

The Milwaukee Police Association is honored to endorse your candidacy for Governor of state of Wisconsin, in the 2022 Election. During these increasingly trying times, the over 1,400 men and women of the Milwaukee Police Association appreciate leaders like you who are willing to stand and be an advocate for Law Enforcement Professionals.

Feel free to use this endorsement, how you best see fit, in your campaign. We look forward to working with you in the future. If you have any questions or concerns, please feel free to call us.

Sincerely,

MILWAUKEE POLICE ASSOCIATION
